## Letter of Recommendation

To Whom It May Concern,

Carlos Rivotti has been working for our company as a magician and entertainer since June 2017. He performs at our Resort once a week, during high season. Next year will be the third year of this cooperation and we could not be more satisfied.

Along the years, we've hired other entertainers, but none of them showed the ability to keep our guests as happy and amused as Mr. Rivotti.

His technique is impressive and the connection that he creates with his audience, personalizing his act to everyone, be it adult or child, is something that is unique.

Throughout this period, he has always maintained an impeccable personal and professional conduct, which is why we absolutely recommend his services.

Sincerely,

Paulo Rodrigues
